

# Stimpwaller

**Smoke, Drink, Cuss, Fight... Rock & Roll... Amen.**

"With elements of rockabilly and gospel...they got folks dancing and maybe even saved a few souls..."

- Michael Doherty's Music Log

# THE STORY

Start with the roots of the great Hillbilly/Rockabilly artists like Hank and Cash, add the grit of storytellers like Steve Earl and Dylan. Now hit the psychobilly distortion pedal and funnel it all through a fiery front man who is part Clint Eastwood, part Billy Graham (If he only preached the power of rock and roll). Now you're starting to get what the Stumpwaller experience is all about.

Stumpwaller is:

Myk "Preacher Man" Watford -Vocals, Guitar

The Deacon -Drums

Ace "Riverboat Gambler" Gonzalez -Lead Guitar

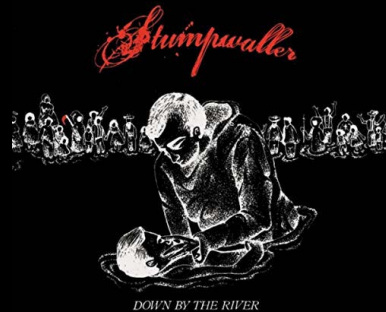

Abe "Hebrew Hillbilly" Hershel -Doghouse Bass

And The Lovely Sister Jennie Gold
